## CARMEL TIDINGS

ISSUE - 1, MARCH - JUNE EDITION

SESSION 2024-25

"Embrace the new school session with curiosity and determination; every day is a chance to learn and grow."

# From The Principal's Desk

Dear Parents, Students and Well-wishers,

I feel honoured to serve this institute as a Principal by nurturing and imparting value based education to young minds. I believe in the all-round development of students by promoting quality education with deep moral values.

Education is about the truth of life and being prepared to face life every day. Therefore, it is a harmonious and synchronized combination of hands (Various Arts), head (Intellectual Power) and heart (Value System).

In the present era of this digital world, providing holistic education to the young minds is a big challenge before the educators and parents.

With this motto in our hearts we work compassionately for the students in our school.

As an Educationist – William S. Burroughs said : “The aim of education is not the knowledge of facts but of values.”

As inscribed in the logo of our school - "I stand in the Presence of the Living God," hence, without any fear and with the blessings of the Almighty , we are aiming high to pursue our dreams.

Our vision is to foster various facets of a student so as to see the child growing into a vibrant, responsible citizen and above all a generous and sensitive human being. Our pedagogy is child-centric which emphasizes on the all-round development of our students.

We try our level best to make the child's journey in the school enriched with enjoyable learning experiences by providing them an exquisite platform to hone their creative and interpersonal skills because we truly believe that "Every Child is Perfect in an Unusual Way."

With warm blessings and best wishes,

Sr. Ramya Vacco  
Principal

Carmel Convent Sr. Sec. School, Gwalior organized Orientation Sessions under the Parents Orientation Programme between March 21 - March 27, 2024 for the parents of the new batch of students of classes III, VI and IX to familiarize parents with school policies, procedures, and expectations.

The program began with a prayer of gratitude to the Almighty, after which parents, students and all present in the auditorium were welcomed.

Our honorable Principal Rev. Sr. Ramya and worthy educators made the parents and students aware of various academic aspects such as curriculum, rules and regulations of the institution, importance of time management in students' life, ensuring involvement of parents in monitoring the performance and progress of their wards. It also includes information about attendance, homework, discipline, grading system, extracurricular activities, Summer camp, and more.

The purpose of the Orientation Sessions was to explain the guidelines to parents, so that they can better support their child's educational journey and align their efforts with the school's objectives. Parents were able to gain valuable insight into best practices, educational resources, and techniques that can contribute to their children's academic success.

## Inception of the New Academic Year, 2024 - 25

**BRIGHT**  
BEGINNINGS

The New Academic Year 2024 - 25 commenced on April 1, 2024 for classes I to XII, except class XI. It was really nice to see the enthusiasm, curiosity and smiles on the faces of the students as they entered the school premises. The empty corridors of the school were filled with excitement and laughter.

The New Session began with a wonderful morning assembly organized by the students of class XII on the topic "Time to Rise, Time for School". The assembly started with a prayer song followed by a Thanksgiving Prayer to the Almighty.

The informative messages and excellent presentation by the students of Class XII embodied the values that the school wishes to inculcate in its students, which would serve as the guiding light throughout their academic journey.

It also created a positive environment for students to begin their studies at Carmel with great diligence and resilience. Students were introduced to some valuable guidance to improve their confidence, motivation and interpersonal skills.

Our dear Principal Rev. Sr. Ramya in her inspirational message encouraged the children to actively participate in the upcoming activities of the New Academic Year, 2024 -25 and maintain a positive mindset to perform their assigned tasks with enthusiasm and happiness.

The assembly concluded with the national anthem. Thereafter, the students proceeded towards their classes with zealous confidence.

## First Day At School!

# WELCOME

The beginning of a new session is always full of excitement and happiness. The day was full of mixed emotions for both the teachers and the little children. The little ones of Little Flower Kindergarten, promoted from UKG, were beautifully welcomed by their Standard I teachers at Carmel Convent Senior Secondary School, Gwalior. As all the students entered the school premises, they were welcomed with warm smiles.

A "Welcome Assembly" was organized for the students by the teachers. Honorable Principal Rev. Sr. Ramya wished Tiny Tots a bright academic year and suggested the teachers to make it more productive and inspiring for the new batch of students. Everything seemed peaceful as students and teachers together prayed to God for a successful year. Teachers gave an important message to the students to adopt good work habits and keep their belongings in their proper place.

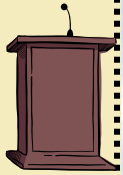

The assembly ended with a joyous dance performance where teachers and children danced together and reminded everyone that School is a Temple of Learning.

The day was full of positivity and enthusiasm. Teachers greeted their students and made them feel comfortable in their new classrooms. Every student felt happy meeting their old friends, new teachers, new classes, new schedule and a healthy, colorful environment.

## First Bagless Day : A Day of Creative Exploration

On April 20, 2024, our school began a new adventure with our First Bagless Day ! This innovative program aimed to encourage creativity, teamwork and interactive learning while taking a break from the conventional classroom routine.

Each class was assigned a unique theme, carefully tailored to suit their age and interests :-

- Grade 1 & 2 : "My Family" - Exploring the Joy of Family Bonds.
- Grade 3, 4, and 5 : "The Food We Eat" - Exploring the Miscellany of Cuisine.
- Grade 6 : "First Aid and Home Remedies" - Learning Essential Life Skills.
- Grade 7 & 8 : "From Actor to Stage" - Bringing Stories to Life through Performance.

The Read Aloud session was a highlight in all classes, fostering a love of Literature and Public Speaking. A special screening of the motivational film "I Am Kalam" was also conducted in class 6, which led to valuable discussions.

Bagless Day proved to be a resounding success, as students and teachers alike embraced the opportunity to think outside the box and showcase their innovative flair. We look to many more days nurturing our students' imagination, collaboration and joy of learning !

Kudos to our students, teachers and staff for making this inaugural First Bagless Day an unforgettable experience !

## Earth Day, 2024

Earth Day was celebrated on April 22, 2024 at Carmel Convent Sr. Sec. School, Gwalior. The celebration of this program was organized with great pomp and show under the aegis of Eco-Club.

This year's theme is "Plastic vs. Earth", dedicated to environmental protection and underscoring Earth Day's call for global organizations to reduce all types of plastic products by 60 percent by 2040.

During this unique event of the Carmel fraternity, a wonderful skit was presented in which the world's youngest environmentalist Greta Thunberg was seen grappling with various environmental problems and renewing her commitment to protect the beauty and diversity of Mother Earth.

Our honorable Principal Rev. Sr. Ramya addressed the students and asked them to remember that the Earth is our only home and we all must work together to tackle challenges like plastic pollution and ensure a healthy environment for the coming generations.

On this occasion, students of class X E displayed some beautiful artefacts and self-made items adopting the principle of eco-friendly and best from waste. Their eco-friendly stall gave an innovative message to the students about how to utilize our resources to their full and proper extent.

Various colorful programs were also presented by school children to create awareness about the environment conservation among the teachers and students present there.

The theme of the competition was "Untouchability to Equality."

Each house was represented by two groups. Group-1 (Class IX) and Group-2 (Class X) consisted of three students from each class. All the participants expressed their artistic and creative interpretation of the theme through posters. Blue House bagged First position, Yellow House got Second position and Red House got Third position.

Students used a variety of art materials and techniques to convey powerful messages that reflected the ideology of Dr. Ambedkar. Honorable Principal Rev. Sr. Ramya appreciated the innovative skills of the participants and congratulated them on their success.

Throughout the camp, the students displayed remarkable enthusiasm and energy and created unforgettable memories.

**"Grief is an intense emotion that we feel in deep sorrow such as in the case of losing someone."**

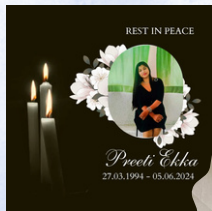

Finding the right words of condolence to offer the bereaved is difficult. No one wants to lose their loved one, the resulting emotion could tear one apart and it is hard for every person to bear that pain.

The sudden and sad demise of Mrs. Preeti Ekka ( Office Staff ) and Dr. (Mrs.) Shailja Dixit ( Educator ) in the month of June has shocked and saddened the entire Carmel family. Both of them were much loved and respected members of the school.

Dr. (Mrs.) Shailja Dixit and Mrs. Preeti Ekka were both very polite, kind, jovial and proactive members of our Carmel family. Both were wonderful mothers, loving companions, sisters, aunts, and beloved and proud colleagues. They both had an unmatched passion for life and their work.

May their souls rest in peace and may the Almighty give their families and colleagues the strength to bear this irreparable loss. All our thoughts and prayers are with both their families during this difficult time.

These two will always be alive in the memories of all of us.

## माँ

इस सारी दुनिया में सबसे दया दीन वो,  
इस मोह माया के प्याले में सबसे बड़ी त्यागी वो।  
रहा दिखाने वाले ध्रुव जैसी वो,  
हमारे लिए अपने सपने छोड़े जिसने।

सर्दी में रजाई जैसी माँ,  
गर्मी में तो ठंडाई जैसी माँ।  
बारिश में छाते जैसी माँ,  
और बसंत में फूलों जैसी माँ।

ओ माँ भोली माँ,  
मन है तो दुनिया का सारा धन है।  
मन तो जगत का सब सुख है,  
बच्चों की तो दुनिया है माँ।

## दोस्तों के लिए दुआएँ

ऐ दोस्त यह दुआ है मेरी,  
तू जहां भी रहे सलामत रहे।।  
खुशियां करें जुस्तजू तेरी,  
जिंदगी तेरी अमानत रहे।  
पीछे हो फूल तेरी राहों में,  
समय चांद तेरी बाहों में।।  
इन हवाओं और फिजाओं पर,  
सदा तेरी इनायत रहे।  
ऐ दोस्त यह दुआ है मेरी,  
तू जहां भी रहे सलामत रहे।।

# Woven Dreams

Dreams like stars in night's  
embrace,  
Guide our steps with gentle grace.  
Through trials faced and fears  
outgrown,  
We journey forth, to dreams  
unknown.

In hearts ablaze, a fire ignites,  
Feeling hope with steadfast might.  
With every step, our paths unfolds,  
Pursuing dreams, in stories untold.

# War And Peace

**Context :** This poem tells us that wars are of  
no use and peace should be maintained for  
a happy living.

Oh Human ! Stop this war.  
It won't give you peace,  
But will take lives of people in the jealous  
breeze.  
Just learn brotherhood from those  
children,  
Who mingle and jingle in their passion.

Peace can be achieved by loving each other,  
By caring for everyone every minute  
another.

The peace after war is of no use,  
Like the words that abuse,  
And the blood of the people can't be reused.

It's better to maintain peace before,  
So to avoid wars anymore...

## ACHIEVES GOAL, GIRL AND THE WORLD

Break the ties of stereotypes,  
Just fly above as you can fly,  
It is not always about the dreams,  
As everytime dream doesn't comes true.

Just think about you, achieve and goal  
that you have to achieve in any way.  
You are here to achieve everything,  
To just change a way.

Don't just blindly follow others.  
Be someone like that others follow you.  
Just be focused and calm and ....  
Be successful in your ways.

Just show them what you can do,  
Just don't frame yourself according to others ,  
Just be independent , not dependent ...  
As you've come alone, you will go alone.

You are a girl, you are a one  
Everything for your own generation  
And world you are here to just  
Change the world , to just change the world.
