

ORIENTATION PROGRAMME [2025-2026]

“Together may we give our children the roots to grow and the wings to fly.”

Carmel Convent Sr. Sec. School, Gwalior, had organized a series of Parents' Orientation Sessions for Classes I, III, IV, and IX from the 25th to 28th of March 2025, under the visionary guidance of our esteemed Principal, Rev. Sr. Ramya. The sessions were thoughtfully designed to welcome parents into the Carmel family, acquaint them with the school's ethos, and strengthen the partnership between home and school, ultimately enhancing the academic and holistic development of students.

The Orientation began with a warm and informative welcome, setting a positive tone for the entire program. Our reverend Principal, Academic Coordinators, School Counsellors and Faculty members eloquently presented the school's mission, vision, core values, and key policies including attendance, discipline, homework structure, assessment patterns, counselling support, and the pedagogical framework adopted for effective learning.

The sessions emphasized collaborative parenting, encouraging parents to actively participate in their child's educational journey and support their academic, emotional, social, and physical well-being. It provided a platform for building mutual trust and meaningful cooperation between educators and parents.

The program concluded on a highly appreciative note, establishing open channels of communication and reaffirming the school's commitment to excellence. The interactive segment, was particularly well-received, offering parents valuable insights and reassurance about their pivotal role in nurturing the Carmelites of tomorrow.

Thank you 🙏
